YOUR AAA MEMBERSHIP

AAA membership is your answer for whatever twists and turns the road of life has in store. From emergency Roadside Assistance—24 hours a day, 7 days a week—to planning your next vacation, AAA is there to help. You get discounts when you shop, when you dine, on attractions, on hotels and resorts, on auto repairs, and much more. Need help buying a car, or saving for retirement? You can count on AAA to be there for you and your loved ones no matter what's around the next bend.

Along with the security and peace of mind AAA membership affords, it's important to have choices. That's why we've created different levels of membership to fit your lifestyle. You can select the benefit level best suited to your personal needs.

Classic Membership

As a AAA Classic Member, you have access to a wide range of products and services—not to mention an abundance of discounts.

Our Classic Membership provides the basic benefits that AAA Members have come to rely on. As both a driver and a passenger, you have 24/7 access to our renowned Roadside Assistance program: towing, lockout service, out of fuel delivery, jump starts, and more. And help for a breakdown isn't limited to your vehicle—AAA will provide Roadside Assistance for your bicycle, too. You also receive free identity theft monitoring when you enroll in ProtectMyID®. Take advantage of perks like digital AAA TripTiks® routes; United States, Canada, Mexico, and Caribbean maps, as well as online mapping at AAAMaps.com; AAA TourBooks®; hotel and motel savings; and worldwide vacation planning and reservations.

Classic Motorcycle Coverage

Extend AAA Classic Roadside Assistance coverage for motorcycles by purchasing the additional rider.*

Plus Membership

In addition to all the benefits of Classic Membership, Plus Members get expanded towing coverage up to 100 miles, free gas and delivery if you run out, and additional lockout service and extrication coverage. You'll also enjoy greater reimbursements, Trip Interruption Expense Reimbursement, and more, making AAA Plus coverage ideal for those who spend more time behind the wheel.

Premier Membership

AAA Premier Membership offers a distinctively different membership experience, providing the most extensive coverage and personalized services available to AAA Members. You're

afforded all of the benefits of Plus Membership and also receive exclusive roadside benefits: towing up to 200 miles, Home Lockout services, and even a battery at no cost to members.* Get exclusive free passport photos, 24-hour Travel Assistance, Concierge Service, Travel Accident Insurance, Vehicle Return Coverage, and more.

Your Premier Membership includes access to the best AAA has to offer—such as the convenience of a single toll-free number to call. Rather than dialing different numbers for different services, you now only need to remember one to contact us: 888-222-9688. This special Premier Member Services toll-free number gives you single-point access to all AAA products and services, including Roadside Assistance, 24 hours a day, 7 days a week.

RV Coverage

Plus and Premier Members can add RV coverage for an additional cost to provide Roadside Assistance to motorhomes, campers, motorcycles, and boat trailers.*

Associate Membership

Make sure all drivers in your household—spouse, teen drivers, children away at college or in the military—carry the same AAA card that you do. Add them as Associate Members and gain peace of mind knowing they have AAA coverage, too.

And to help you stay up to date on available AAA benefits and services, look to AAA World, our bi-monthly magazine that provides a wealth of information about ways to do more, save more, and enjoy life more with AAA. You can also get updates on the latest vacation deals, new products, and benefit information via our other communications, such as AAA Traveler, AAA Connection, and AAA e-Saver.

AUTOMOTIVE

For over 100 years, we've been the name that millions of members trust with the vehicles they rely on. Wherever you are on the road of life—from buying a car to insuring it, scheduling maintenance, unplanned repairs, and even driver training courses—nobody understands driving and drivers better than AAA.

ROADSIDE ASSISTANCE

Roadside Assistance is what we're known for—providing protection and peace of mind to millions of members. Unlike many other roadside assistance plans, it's not your car that's covered by AAA. It's you. So even if you're riding in someone else's car (or in a rental car), you're covered by AAA.

Emergency Roadside Services

AAA membership is a motorist's trusted ally. It covers you whether you're the driver or passenger in a car. To get Roadside Assistance, you need to be with the vehicle at the time of disablement and service. When the AAA representative arrives you will need to show us your AAA membership card and your driver's license or government-approved ID. Your membership benefits, like Roadside Assistance, cannot be used by any other person.

AAA offers a comprehensive suite of emergency roadside benefits available 24 hours a day, 7 days a week, 365 days a year. When you're on the go, we can help you with jump starts and battery service, tire changes, emergency gas delivery, lockout service, mechanical first aid, and towing. And in most cases, we'll get you back on the road.

Towing

You never know when you'll need help—until you need it. Just give us a call or use the AAA app and we'll be there. One of our professional, courteous drivers will come to your aid and tow you to the destination of your choice.

Mobile Battery Service

Whether you're on the road or you never got out of your driveway, AAA will come to you. We'll diagnose and attempt to jump-start your dead battery, or provide towing service to your destination of choice.

If we can't jump start your battery, we can offer a replacement on the spot. Our expert technicians will perform a convenient, no-cost diagnostic test and evaluation of your battery at the scene, and install your new battery at your request.

High-quality batteries are available for purchase at exclusive Member-only prices and include a 3-year free replacement nationwide warranty. No delivery or installation charges apply.

Lockout Service

We've all been there. Locked out. Miles from home. Call AAA and we'll send someone to get you back in the driver's seat and on your way.

Extrication

Sometimes life gives you lemons. And sometimes life leaves you stuck in a ditch. So when you're stuck, call AAA. We'll dispatch a service truck and driver to get you on your way again ASAP.

Auto Glass

Got cracked auto glass? Fix it before it spreads. AAA has partnered with Safelite AutoGlass® to help Members and non-Members schedule mobile or in-shop appointments for glass repair or replacement. Our certified safety technicians provide convenient auto glass service at your home, office, and everywhere in between.

Vehicle Protection Plan

Once your car is out of warranty, repairs can be costly. AAA's Vehicle Protection Plan is an extended auto warranty program that covers mechanical problems and repairs, saving you money in the event of breakdown or failure.

AUTO COVERAGE

We make getting on the road much easier, from finding the vehicle that fits your needs to finding a pricing plan that's right for you.

Auto Buying

Our hassle-free Auto Buying Service features competitive Member prices for most new and used vehicles at participating dealers. And we've already done the negotiating for you. All you have to do is select the vehicle you want. Then we'll provide a AAA Price Protection Certificate that you take to the dealer. It's that simple.

You can also research current price information for new and used cars at AAA.com/AutoBuying.

Auto Loans

Once you've found your dream car, AAA can help you make it a reality. Our competitive interest rates and convenient terms help keep your monthly payments low. We can even help you refinance your existing car, so take advantage of our exclusive discounts and options.

DRIVER TOOLS

With AAA, even when you want to lose yourself on the open road, you're never truly lost. Our travel planning, maps, and road trip services help you enjoy the journey—and arrive at your destination. Use our training courses to help new drivers in your household learn the essentials, brush up on your own skills, and earn credits with your auto insurance while you're at it.

TripTik

Need directions? Call or visit a AAA Store for a TripTik® or maps. Download the AAA TripTik® app for your smartphone or go to AAA.com and use our TripTik Travel Planner. You can even check construction spots and driving regulations.

Driver Education & Training

We offer a variety of driver training solutions that promote safe and responsible driving. We've carefully developed training courses for new drivers, those with decades of experience, and everyone in between. So whether you're new behind the wheel or getting a new car, AAA can teach you all you need to know to stay safe on the road.

AUTO INSURANCE

AAA can help you prepare for the good, the bad, and even the unexpected. Our experienced Insurance Agents help you find the right Auto Insurance coverage at the right price. AAA Members can receive a 5% discount on auto insurance from our AAA Insurance provider. And that's on top of all the other discounts you may be eligible to receive.

REPAIR AND MAINTENANCE

The best way to avoid mechanical problems is to prevent them. Our AAA Car Care and Approved Auto Repair facilities are conveniently located, held to the highest standards for evaluation, labor, and maintenance, and backed with a 12-month/12,000-mile warranty. You can qualify for special discounts, as well as a free maintenance inspection upon request with any paid service. And a vehicle towed to any of our AAA Car Care Centers or Approved Auto Repair facilities will be evaluated within an hour of arrival (during normal business hours).

Car Care Centers

AAA owned and operated Car Care Centers are open 7 days a week to help you get in and get back on the road as quickly and safely as possible. Our ASE-certified technicians use state-of-the-art tools and equipment to perform diagnostics, routine maintenance and repairs, inspections and registration renewals (at select locations), and unscheduled repairs. AAA Members can also take advantage of weekly offers on tires, fluids, and more, and save 10% off labor repair charges. Our Car Care Centers also offer Travel Planning, Insurance, Maps and TourBooks®, and savings on Attraction and Movie Ticket sales.

Approved Auto Repair shops

We have nearly 400 AAA-affiliated Auto Repair shops that offer services you can trust—quality repairs and maintenance to keep your car on the road. Members can receive a 10% discount on repair labor.

PREMIER MEMBERSHIP AUTOMOTIVE BENEFITS

On-your-way service

Premier Members are entitled to reimbursement up to \$55 for alternative transportation (e.g., taxi cab) or one (1) free rental day on a Hertz car rental* (up to a full size) per Member per year if your car is towed by AAA.

Premier towing & service calls

Premier Members can get one free tow up to 200-miles per household Member per Membership year. In addition to the one 200-mile tow, each Premier Member is entitled to four service calls towing up to 100-miles per membership year (up to five service calls per Member per membership year). Those five service calls could be five 100-mile tows. With any Premier membership tow, AAA will cover all tolls to and from the tow destination.

Premier battery replacement benefit

Premier Members are eligible for a AAA Battery replacement, at no cost to the member, limited to one (1) battery per household per Membership year, if a AAA Mobile Battery Service test during a Roadside Service call indicates a replacement is needed.*

*See page 7 for details.

Rescue consultants service

When a Premier Member's vehicle is broken down, AAA representatives will be available via the Premier Member Services toll-free number to provide repair advice, arrange alternative transportation, assist in contacting family members, and help locate nearby ATMs, restaurants, and lodging, if necessary.

Emergency home lockout service

In addition to vehicle lockout service, Premier Members who accidentally lock themselves out of their home (or lose or have their house keys stolen) can now contact AAA. We'll advise you of locksmith availability. You can be reimbursed up to \$150 for the expense of having a locksmith help you gain entry into your home.

Auto Insurance

Insurance products sold by AAA Mid-Atlantic Insurance Agency. Insurance provided by CSAA Insurance Group, a AAA insurer and by other insurance providers. All policies are subject to policy terms, underwriting guidelines and applicable laws. Applicants may not qualify for all coverages, benefits or discounts.

*Save up to 5% just for being a Member, up to an additional 5% over time, and up to an additional 5% when you switch from your current carrier. To qualify for current carrier discount, driver must have been insured with another auto carrier for at least one year with no lapse in coverage over 3 days. Discounts vary by state and are subject to eligibility requirements.

On-your-way service

If Premier Members arrange for alternative transportation on their own, or choose to use public transportation, they can receive reimbursement as long as AAA provided the tow.

Premier Members can be reimbursed for alternative transportation expenses with each tow where such transportation is used, as long as they have not exceeded their five service calls per Member during a membership year.

To receive reimbursement, Premier Members must submit a reimbursement form with the original receipt for the alternative transportation. Forms are available at AAA offices, online, or by mail from Premier Member Services (call Premier Member Services: 1-888-222-9688).

*All Hertz/AAA Program discounts, rates and benefits apply to this rental. This benefit applies to the rental of a compact through full-size vehicle at participating Hertz locations in the US, Canada and Puerto Rico, subject to availability. Standard rental/qualifications regarding age, driver, credit qualifications and daily rate requirements apply. The car must be returned to the location of rental. Taxes, fees, optional service charges (i.e., refueling) are not subject to discount and are the responsibility of the renter. This benefit may not be used with tour rates or insurance replacement rates.

Premier towing & service calls

All Roadside Assistance benefits apply to your existing covered vehicles. All other Roadside Assistance benefits under Premier membership can apply to recreational vehicles and motorcycles provided the Member also has Plus RV membership.

If any service calls, or the 200-mile tow, are not used during a membership year, they cannot be accumulated and carried over to the next membership year.

For any towing miles in excess of 100 or 200 miles, as the case may be, Members will pay for the excess mileage based on current AAA towing rates per mile.

Members can "save" their 200-mile tow at any time during a membership year by paying the current AAA towing rates per mile on tows over 100 miles.

A seven-day waiting period applies to: nonmembers who enroll in Premier; Classic, Plus and Plus RV Members who upgrade to Premier; Associate Members added to an existing Premier membership; Premier memberships established prior to 10/3/16 and add the Battery Replacement Benefit; and Premier memberships reinstated after more than 60 days past due on dues payment.

Premier Battery Replacement Benefit

There is an initial 7-day waiting period for some Premier services, including the Free Battery Replacement. Free Battery Replacement Benefit is limited to one (1) battery per household per Membership year if a AAA Mobile Battery Service test during a roadside service call indicates a replacement is needed.

The service technician deployed, in coordination with AAA, shall have sole discretion as to whether a replacement battery is necessary. In rare instances, some vehicle models may incur a charge for installation if battery installation is considered to be a "difficult install"—for example, this includes, but is not limited to, certain makes/models where the battery is located in the fender or is otherwise not readily accessible. Difficult install charges are not covered by your membership. Battery components, such as cables, are not included in the price. If cables or components other than the battery itself need to be repaired/replaced, additional charges may apply. Mobile Battery Service is available from 6 a.m. to 11 p.m. in most areas. Stock is limited to conventional lead-acid batteries, with coverage available for most vehicles. Batteries for hybrid vehicles are limited to select makes/models.

In some instances, where the original equipment is not available, a similar alternate battery may be offered in substitution. Should service or a substitution not be available, you may submit your request for reimbursement consideration up to \$125. You must make every effort to contact AAA to request battery replacement service through AAA Roadside Assistance prior to proceeding with a replacement on your own. AAA reserves the right to decline reimbursement if proper process is not followed. Reimbursement requests must be submitted with the original receipt within 60 days of battery replacement. Does not apply to RV, motorcycle, or other specialty batteries.

Rescue consultants service

For vehicle repair advice, Approved Auto Repair specialists are available to speak to Members during normal business hours. Member calls received "after hours" will be returned by an Approved Auto Repair specialist the next business day.

Emergency home lockout service

Members can be reimbursed for one home lockout service call per year per membership household. This service, however, only applies to a Member's primary residence.

AAA will reimburse the Member up to \$150 for the locksmith's service call fee. To be eligible for reimbursement, the Member must first place a service call to AAA, even if the Member contacts a locksmith directly.

Home lockout service does not count as one of the five service calls Premier Members are allowed each membership year.

Costs to replace locks, including parts and labor, are not covered.

Information about Paying Your Membership Dues

AAA records Memberships on a monthly basis. For example, if a Member joins on January 3, the membership will not expire until February 1st of the following year. There is a 7-day waiting period for Plus, RV & Premier enhanced services. Classic level service will be provided during this period.

When a membership is renewed within 59 days of the membership expiration, the original membership join date and expiration date are unchanged and the Member's years of membership tenure continue to accrue. AAA continues to provide all services to Members for the first 30 days after membership expiration, and all services except Roadside Assistance for the next 29 days unless the membership dues are paid at the time Roadside Assistance is requested (Roadside Assistance available at Member rates during this later, 29-day period). Note also that annual membership dues will be due one year from the original expiration date, which will be less than twelve months from the late payment date.

When a membership is renewed 60 days or more following the expiration date, those Members will receive a new join date, a new annual expiration date and any accrued membership tenure will be lost.

Membership Refund Policy within First 3 Months of New Membership

There is a new limited Membership refund policy effective April 15, 2012. If, at any time during the first three months of your new membership including any upgrades and added Associate Members, you decide AAA isn't right for you, simply cancel. We'll refund the unused portion of your paid membership dues.

Overpayments will be applied to your next membership renewal or on a request basis will be 100% refunded. No other refunds will be granted. Visit AAA.com/Refund for more information.

Membership Refund Policy for Renewing Memberships and New Memberships after First 3 Months of Membership

Membership dues payments including renewals, upgrades and added Associate Members will not be refunded once applied to your membership; however, your membership will remain in force until it expires. Overpayments will be applied to your next membership renewal or on a request basis will be 100% refunded. Visit AAA.com/Refund for more information.

The Club reserves the right to cancel the membership for a Member's abusive use of Roadside Assistance Services of the Club ("Services"). In addition, a Member who requests or uses an excessive amount of Service; that is, uses Services over a sustained period that is greater than the average Member uses, may be subject to membership downgrades at renewal or the non-renewal of the membership.

AAA Liability

We have contracted with independent service facilities to provide Roadside Assistance. AAA shall not be liable for any damage, injury or loss occasioned by or resulting from rendering, attempted rendering, or failure to provide any Roadside Assistance or towing service or failure thereof by an independent service facility. Independent service facilities are not agents of AAA, nor is AAA an agent for them. They are solely responsible for their actions. Any arrangements you make for subsequent nonemergency repairs are between you and the service facility.

Additional information about Roadside Assistance and other Member services and benefits are available online at AAA.com, by calling 1-800-763-8200, or by writing to Member Relations, P.O. Box 6032, Newark, DE 19714-6032.

Additional Benefits

Emergency Check, Debit/Credit Card Acceptance:

Your personal check and/or valid debit/credit card will be accepted by any independent contract facility or AAA/CAA-owned service facility for payment of emergency road service up to \$250. A valid AAA membership card and identification must be presented at the time of payment. The name on the check and/or debit/credit card must match the Member’s name. If an independent contract facility or AAA/CAA-owned service facility is unable to accept the valid credit and/or debit card presented, AAA will provide support for debit/credit card authorization.

Alternative Reimbursement

If AAA Roadside Assistance is not available and you obtain service from a non-AAA facility, you may submit your request for reimbursement consideration up to the amount it would have cost AAA to provide the covered service under similar circumstances. You must make every effort to contact AAA to request service through Roadside Assistance first. Requests must be submitted with the original receipt within 60 days of service.

Some toll roads and some limited access highways provide their own Roadside Assistance and will not permit AAA to come to your assistance. You should request that they tow your vehicle to their lot off the toll road so that you may contact AAA to request service. In some instances, some of the providers will accept your membership card in lieu of payment to remove your vehicle from the toll road or limited access highway. Otherwise, pay for the service and get an itemized receipt, which you may submit to AAA for reimbursement consideration.
